

Grade 1/2

Reading

We have been reading a variety of narratives so that we can write our own exciting stories.

We are working on our comprehension strategies so that we understand what we are reading. We are building our vocabularies, finding the meaning of new words. We are also working on our fluency so that our reading is smooth and always sounds clear and entertaining.

Writing

We are learning to write narratives. We have been deconstructing narratives so that we know all of the important features. We are now planning our own narratives and using a success criteria to make sure that our writing is exciting for the reader.

Maths

In Maths, we have been working on our number fluency through number talks. This term we have been collecting data, surveying, graphing and discussing data. Soon we will be learning about chance and all of the language that we can use when discussing the likelihood of different events happening.

Term 3

Grade 1/2

Integrated

This term we are learning about the history of toys. We are learning about toys of the past and how they are similar or different to the toys of today, how toys from the past can tell us about people's lives at the time and we are using evidence to make inferences about how people lived in the past.

Art

This term the children will be completing a variety of activities celebrating Find Your Treasure, the Book Week theme, provided by the Book Council of Australia.

P.E

As part of the general Physical Education Program at Thomastown Primary School, we will be covering the following areas:

- Fitness and athletics
- Fundamental Motor Skills
- Hand-eye Co-ordination and games

Computers/Library

Lots of exciting things are happening in the computer lab! We are learning how to use all the functions of the computer and to navigate through our many wonderful programs that will engage students in Numeracy & Literacy. Students will also be learning how to stay safe online and to use the internet appropriately via our school website.

In Library, students will be exploring a variety of books. We will be incorporating drama, music & play based learning for the juniors to learn rhymes & traditional stories. Students will have the opportunity to do hands on activities through craft & technology to support their lessons.

Term 3
