

Grade 1/2

Integrated

This term we are learning about Water. We are learning about how water is vital to all living things. We will focus on how it is used, where it comes from and what its properties are.

Art

In Art we will be exploring a variety of mediums. We will be creating lots of exciting projects that you may see displayed around the school.

P.E

As part of the general Physical Education Program at Thomastown Primary School, we will be covering the following areas:

- Fitness and athletics
- Fundamental Motor Skills
- Hand-eye Co-ordination and games

Computers/Library

Lots of exciting things are happening in the computer lab! We are learning how to use all the functions of the computer and to navigate through our many wonderful programs that will engage students in Numeracy & Literacy. Students will also be learning how to stay safe online and to use the internet appropriately via our school website. In Library, students will be exploring a variety of books. We will be incorporating drama, music & play based learning for the juniors to learn rhymes & traditional stories. Students will have the opportunity to do hands on activities through craft & technology to support their lessons.

Term 4
